You must cooperate with **us** in these actions.

We may decide at any time to pay **you**:

Introduction

This Travel Premier cover

Your Travel Premier cover consists of:

1. this policy, and
2. the Schedule, and
3. the information **you** have provided in the **application**.

Our agreement

You agree to pay **us** the premium. In exchange, **we** agree to insure **you** as set out in this Travel Premier policy.

When cover begins and ends

For Section 3.1 (Loss of deposits), the Travel Premier cover begins when **you** pay the full premium.

For all other policy sections the Travel Premier cover begins when **you** commence **your** travel.

For all sections, the Travel Premier cover ends:

1. on the last date of the **period of travel** shown in the Schedule, or
2. once **you** have returned to **your** home in New Zealand, whichever occurs first.

Your duty of disclosure

When **you** apply for insurance **you** have a legal duty of disclosure. This means **you** must tell **us** everything **you** know (or could be reasonably expected to know) that a prudent insurer would want to take into account in deciding:

1. to accept or decline **your** insurance, and/or
2. the cost or terms of the insurance, including the **excess**.

The information **you** give **us** must be truthful and correct.

Please ask **us** if **you** are not sure whether **you** need to tell **us** about something.

If **you** breach **your** duty of disclosure, this may affect the outcome of any claim **you** make and **your** Travel Premier cover may be unenforceable.

Examples

We have sometimes used examples to make the parts of this policy easier to understand. These examples, *which are printed in italics*, do not affect or limit the meaning of the section they refer to.

Headings

The headings in this policy are for reference only and do not form part of it. They are not to be used when interpreting the policy.
