

Resource Management Act Endorsement: Statutory Liability

Policy Endorsement

Your Statutory Liability policy is amended as follows:

1. Notwithstanding any provision to the contrary in this policy or any endorsement there is no cover for:
 - (a) any fine under the Resource Management Act 1991,
 - (b) any fine that we are legally prohibited from paying.
2. You are covered for costs and expenses necessarily and reasonably incurred by you, with our prior written consent, to defend:
 - (a) a prosecution under the Resource Management Act 1991,
 - (b) an investigation into an event or occurrence that could give rise to a prosecution in (a).

Provided that all the following apply:

- (i) The event or occurrence that gives rise to the investigation or prosecution happened after any retroactive date in the policy.
- (ii) In the absence of the prohibition on paying fines under the Resource Management Act 1991 we would have covered you for the prosecution or investigation under this policy during this period of insurance.
- (iii) There is no cover for any compliance or remediation costs.
- (iv) There is no cover for any prosecution or investigation that arose from conduct that was deliberate or reckless.

For the avoidance of doubt, references to 'you' in this document means the 'Insured'.
